

Memories
of
1946

the 1990s, the number of people in the world who are under 15 years of age has increased from 1.1 billion to 1.5 billion, and the number of people aged 65 and over has increased from 0.2 billion to 0.5 billion (United Nations 1999).

There is a growing awareness of the need to address the needs of the young and the old. The United Nations (1999) has identified the need to address the needs of the young and the old as one of the eight Millennium Development Goals. The goal is to 'reduce the number of people living in poverty' (United Nations 1999, p. 1).

IT WAS WAY BACK IN . . .

September, 1942, and from St. Bridget's, Trinity, Franklin, and the city junior high school came more than one hundred little "greenhorns" to start their high school careers at Hobart High School as freshmen. We made it through the grades and this was what we had waited for, but now that the time was here—well, we weren't sure. Each of us must have felt lost and somewhat afraid. I know I was.

But it wasn't long at all until we began to function as a group, the class of '46.

Our first social function was a theater party in the assembly, remember? If not, you will surely remember our second party that year, a barn dance given in the gym. What with the games, the decorations, the entertainment . . . how could you ever forget that night? That was by far one of the best parties our school had seen for a long, long time.

After our numerous installations and initiations, that ran any where from wearing masks to class to scrubbing the gym floor with tooth brushes, we freshmen became a real part of the school. We joined clubs, we studied hard (we were only freshmen then) and did have fun.

Near the end of the year we decided to have a day of orientation for the next year's freshmen, and that we did. We wondered if we, as eighth graders, could have been so troubled as they were to see the "big" school they would soon attend. It was so ordinary for us.

It was really spring now and it seemed an eternity till vacation time when we could dash off to the cool lakes and forget the tasks of study.

Leaving the picnics, the hikes, the beach parties and all that summer meant to us, we returned to school the next fall. Though it was hard to think of classes and books again, it was good to see everybody. Some of us hadn't seen each other for ages.

At our first meeting Shirley King, president of our freshman class, introduced Jay Greene, whom we had just elected, as our new president. We were now ready to start off on our Sophomore year.

We gave a "kids'" party that year and everyone really dressed like kids—believe me we looked like kids and, darn it all, we felt like kids! But it was fun.

About then we ordered class rings too. Let me tell you, that was a thrill. By the way, mine needs to be shined up a bit.

Goodness, school years aren't very long, for here we were leaving for another summer vacation. The year 1944 we returned as juniors. We really were in seventh heaven then. This year we would give the Junior-Senior prom. But first we had to make some money. How? Sell oranges? Sell Christmas wreaths? We decided to give a play, "Through the Keyhole," and it went over great.

May 4th came at last. All the girls came to school with their hair up—Wonder why? Because this was the day of the prom and every girl was determined to look her best. We dashed home from school that afternoon and took baths. From then on we just counted the minutes till it was time to leave.

We held the prom in Gary at the Marquette Pavilion, which we decorated to harmonize with the theme "Colonial South." After the grand march led by the junior class president, Janet Jones, and the senior class president, came the crowning of the king and queen of the prom. A crown of daisies was given to the queen who turned out to be Dolores Bodamer.

The evening came to an end much too soon, but when we left we found ourselves then looking for a place to eat. We had fried chicken. What did you have?

Our last week at school brought convocations, parties and the junior-senior picnic. We walked all the way out to East Gary Park. There we ate and played games. There was a baseball game between the two classes too. We let them win. It was so much fun, but did I ever tell you about our walk home? We weren't the same for days.

The Honor Day program was what did it. We watched the seniors in their caps and gowns and said to ourselves, "Next year we'll be wearing those . . . if our luck holds out."

During summer vacation many of the kids worked. The war was still on and we tried to help by doing our bit. But it was that summer when, after three and a half years, peace was declared. Peace! Yes we returned to school for our first peacetime high school year.

Room 313 now was ours. We had waited a long time to call it our own home room and now it was ours.

The year started off with a bang when more than thirty committees were named. Who ever thought that seniors would have to do so much?

A party was given in the Masonic hall that fall. We all dressed up and went, where here, we danced by candle light to gay music.

As soon as our play "Daphne" was started we found we were in for even more work. Many other committees were named and soon we were buzzing again. With the play we would finance all our other activities.

This year meant our last football and basketball games while we were still in school, so we'd make them good—and they were.

We did a lot of things during the year—went to the Little 5 Hop, gave a junior-senior picnic, sponsored several convocations, the play, the senior breakfast, went on a sneak-day trip and lots more.

Finally commencement night came. Slowly, solemnly, we walked. Our days at Hobart High School were through, and now we thought back over all that was past, then lifted our heads again as we thought of the future.

To our sponsors, our advisors, all you who helped us through these years we are grateful. No Hobart, we'll not forget you. Don't forget us, please.

Music

Hobart High School

Under the constant guidance of Frederick C. Ebbs for the past six years, the band has achieved many goals. Mr. Ebbs has developed the idea for a marching band so efficiently that the Hobart organization is known not only as a splendid concert group but has achieved distinction for its marching as well.

With the assistance of new lights and an improved speaking system, picturesque displays created by Mr. Ebbs were performed at football games away as well as at home. Ending this most triumphant season the band marched at the Indiana homecoming game with Nebraska, October 13. In spite of their late arrival, caused by bus trouble, they were received with enthusiasm.

Clarinets: LaVerne Veres, Gloria Wichman, Nancy Pyatt, Thais Stewart, Maxine Richmond, Rosemary Florios, Joan Mattix, Eugene Callaway, Pattie Krull, Joyce Ann Geddes, Jack Baumer, Maureen Richmond, Frank Zajec, Don Stanley, Lucy Kaplan, Jim Schwuchow, Carol Ann Krulik, Jackie Wright, Don Harrigan, Pat Bunnell, Pat Anderson.
Flutes: Leona Stadler, Shirley Schoon, Janet Jones, Billie Krull, Bob Miller, Alice Pyatt.
Alto Clarinets: Emmy Lou Garwig, Barbara Rappe.
Bass Clarinets: Bob Goodwin.
Bassoons: Bud Stonebraker, Charles Henderson.
Obes: Jim McCluckie, Bob Shell.

Concert-Marching Band

Their concert performances showed the same superb musicianship. During the fall they gave a 'pop' concert which included a number of Stephen Foster's works known and loved by the American public. The mid-winter concert displayed much improved technique with such difficult numbers as "Rienzi" by Wagner.

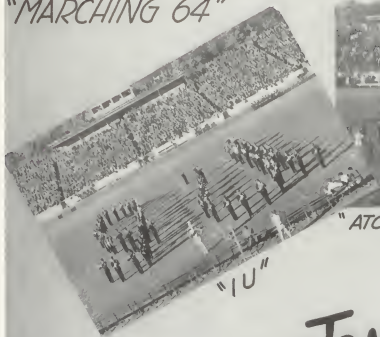

With travel restrictions lifted, high school instrumental groups returned to their pre-war contest schedules. As in past years Hobart contestants came home with many first division awards in ensemble, solo, and concert competitions, testifying to the long hours of practice that had gone into their preparation.

The band is indeed praiseworthy, and with the support of its many friends ended a most successful year.

Saxophones: Tom Bishop, Myrtle Maleck, Alice Hellstrom, Shirley Mitchell, Jim Shurr.
Cornets: Charles Erwin, Buford Bunnell, Ellen Campos, Bill Loggie, Marilyn Erickson, Louis D'Angelo,

OUR VOCAL DEPARTMENT

Miss Hackman, gifted with the art of music, has put forth all her talent to instruct pupils seeking good music. She has proved many pupils who thought they had no musical abilities to be valuable and gifted with an undiscovered talent. Miss Hackman's efforts were not in vain for the vocal department achieved its peak, partaking in various vocal activities. They sang for the Women's Club and convocations, gave Christmas and spring concerts, took active part in the April contests and sang for a beautiful Easter vespers service. Their harmonious voices were heard at the baccalaureate and commencement services. We not only heard them but also saw them in their well chosen maroon robes which gave them a distinguished appearance. We wish to thank the vocal department for a job well done, and hope this department will increase in number for it is a worthy and beautiful art.

Sports

The Hobart Brickies

COACH WILSON came to Hobart from New Cambertown, Ohio. Previous to that he had eight years coaching experience. Coach Wilson received his Bachelor of Arts degree at Hobe Brooke college and his Bachelor of Science degree at Ohio Northern college. He has served in the Navy for 15 months and left Hobart in January to enter the University of Cincinnati under the G. I. Bill of Rights. He intends to study law.

1945 Pigskin Parade

BOB GREEN, who was chosen captain of the 1945 football team back in 1944, filled his position as center on the team faithfully and in times of stress showed what leadership really means. In his freshman year he played tackle and as a sophomore held down the end position. The last two years he has been center. This year concludes his high school career.

Froebel	6	Hobart	0	LaPorte	31	Hobart	7

Crown Point	0	Hobart	26	Griffith	12	Hobart	7

		Valparaiso	0	Hobart	20		

The 1945 football season was not outstanding with the Brickies winning three games, tying one, and losing five. This bettered by one last year's record of two wins, one tie, and six losses.

We started the season by losing to the Froebel eleven. Although we possessed the ball for the majority of the time, we could not secure enough power to score. The only score came in the third quarter when Ballerino of Froebel dived over from the three yard line.

Next on the schedule was LaPorte. Again the Brickies' hopes of winning were trampled under by the Slicers. Hobart's only score came in the third quarter when Fasel completed a 25-yard pass to A. Hamilton, who ran twenty yards for a touchdown. The conversion was good.

The following Friday we played host to the Red Devils of Lowell, but all we could gain was a scoreless tie. The still fighting Hobart team traveled south to Rensselaer only to lose to the Bombers by a last minute touchdown and conversion.

We came so close to winning that the inspired Brickies ran over the Bulldogs of Crown Point, with four touchdowns and two conversions. Five days later we lost to a tricky Griffith team. This still didn't discourage the Purple and Gold for we went to Gleason Field on October 17 to romp over the Blue Raiders of Tolleston.

Then came the last game of the season with the Valpo Vikings. Although we put up a good fight, Valpo came out on top. Unknowingly, the Brickies hadn't ended the season for the Vikings, a week later, informed us that they had canceled a game and invited us to come over. We accepted and at the end of the game came out on top with three touchdowns and two conversions.

The big event for Hobart x-country harriers each year is the annual invitational meet sponsored by the Brickies in which all teams in the Calumet area take part. In five year's running of the meet Hobart has finished as follows: 1941—2nd; 1942—3rd; 1943—5th; 1944—4th; 1945—6th.

Wade Whitman of Horace Mann holds the meet two-mile record of 9:49, which he set in 1943.

James Dinsmore, junior

"Red" placed 4th in the 1945 annual invitational meet, and was elected 1946 x-country captain.

Bill Crites, senior

Bill led the 1945 x-country team through the final year of his high school career.

Dick Cronch, sophomore

Dick placed 6th in the 1945 annual invitational meet.

Coach Kurth

"Red Kurth" who has always taught that clean sportsmen make tomorrow's best citizens, has been with us since 1940. He coaches both basketball and track, and in 1944 also helped by acting as co-coach in football when Tommy Moore was inducted into the service of his country. He is not only concerned with the winning of the games but also in the players on his team. The way he takes the score win or lose and never lets us remember the individual score but how the group as a whole played, makes him very popular.

The best that we can wish for H.H.S. is more of his athletic instruction.

The Basketball Season

The 1945 basketball season started out with an exciting victory over the Bearcats of Wheeler, although the following Friday the Brickies bowed to the Norsemen of Emerson in the Memorial Auditorium. This didn't dampen their spirits, however, for they came home to defeat the Red Devils of Lowell and the following Wednesday upset East Gary in their own gym. On Friday of the same week the Kurthmen were found giving Dyer a beating.

In high spirits the Hobart five met the unbeaten Gary Edison squad only to be defeated. The following week the Brickies traveled to Griffith to receive the worst beating taken this season. Still with high morale, the local cagemen went to Memorial Auditorium only to be trampled by Tolleston.

With hopes of winning the Hobart quintet traveled to Elwood only to lose again. Still fighting, the Brickies bowed first to the Merrillville Pirates and one week later to the Bulldogs of Crown Point.

Although Crown Point was our sixth victor, we knew that our bad luck couldn't last and with high hopes traveled to Portage to take our first win in seven starts. Next on the schedule was Chesterton and again we were the conqueror. Wirt was next, but this time we met stronger opposition and were defeated. The following Friday East Gary was the scheduled game. Since we had beaten them once before we had high hopes and our hopes materialized for we won. Griffith, who had beaten us on their own floor, was to be our guest the following week and although we were on our guard we were defeated again, but this time by a smaller margin. The Vikings of Valparaiso were next on our list of opponents and once more we bowed to a superior team. The last game of the season was played at Crown Point and we emerged the winner.

GOLF

CARL MARCOFF has been playing golf since he was old enough to hold a golf club, although it wasn't until his freshman year that he realized his ambition to enter tournament competition. As a sophomore he took second place in the Lake County Junior Tourney.

Even though there was no golf played in school the following year Carl kept in practice and during the summer of 1945 he again competed for championship in the Lake County Junior Tourney, and again succeeded in being runner up. He also won the Hobart City Tourney in his senior year.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) and is projected to increase by a further 1.5 million by 2010 (Office for National Statistics 2000). The number of people aged 65 and over is projected to increase by 2.5 million by 2020 (Office for National Statistics 2000).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (1999) has published a strategy for the ageing population, which sets out the government's commitment to improve the health and social care of older people. The strategy is based on the following principles: (1) to improve the health and social care of older people; (2) to ensure that older people are able to live independently; (3) to ensure that older people are able to participate in society; and (4) to ensure that older people are able to live in their own homes.
